

Bringing high-quality healthcare right to you

## Urgent Care & Primary Care House Calls

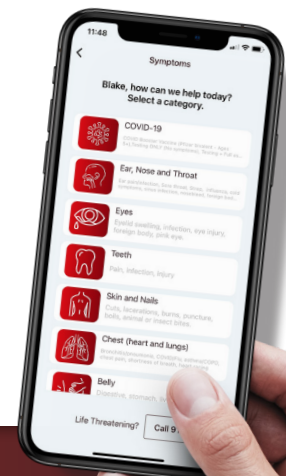

As health insurance premiums soar out of control and insurance companies set records for profits, healthcare consumers pay the price. Traditional healthcare is inconvenient with confusing prices. Now, there's a highly-rated urgent care and primary care option designed for you and your family.

Skip the waiting room with Pivotal Health's Direct Care and enjoy the convenience of **unlimited urgent care and primary care house call visits for one low monthly membership fee** without the need for insurance. Our highly skilled and experienced providers drive to your home, apartment, dorm room, or workplace to treat you and your family in person at a convenient time you select.

### Monthly Membership Fee:

University Student (17 to 23)	\$60
Adult (24 and older)	\$75
Family of 2 (2 Adults or 1 Adult & 1 Child)	\$125
Family of 3	\$175
Family of 4 or More	\$225

+ 10% discount for paying the full year or 2 semesters up front
